

Following this page is an example order form.

In it, the GRIVA member (thus using the discounted prices) is ordering three maps - the Botetourt County (Northwest Section) 1864 map (#10), the Campbell County 1864 map (#12), and the Brunswick County 1864 map (#11).

The member has paid \$40 for the first map, and then \$5 each for two additional maps, for a total of \$50.

If the person were not a GRIVA member, they'd have entered \$45 for the first map and \$7 for the two additional maps, for a total of \$59.

Or, if the non-member wished to become a member, they'd fill out the form as shown, but added \$20 for the GRIVA membership fee, for a total of \$70.
